Education

2010 - 2013

Piksel akademi

Computer courses, Alanya / Turkey
I started my code / programming journey in 2010. At computer courses I learned about Linux & computer science.

2017 - 2018

Kugim Istanbul

Ios Developer Course, Istanbul / Turkey
Kugim courses gave to me best information about ios development.

2018 - 2020

Bionic University

Master Dev. Degree, Kiev / Ukraine
Senior developer degree I finished in Ukraine in 2020.

Work Experience

2015 - 2016

Lokum Games

Senior Developer
2015 developed game maps with Tuncay Buyukoglu at Lokum Games. 2016 design pool game for Android and ios devices.

2018 - Present

Freelance Web Developer

800 projects of web development. 300 projects of web scraping. Work with CMS like WordPress, OpenCart, Magento, Bitrix, Yii, Joomla, Laravel.

2018 - Present

Freelance App Developer

Developed Apps for different companies. Used language Kotlin / Java & Swift
